PEOPLE LOSING INTEREST IN BIG YACHT RACE

Conceded That Challenger Has No Show and That Defender's Final Victory Matter of Mere Formality

YESTERDAY'S RACE DECLARED OFF

Shamrock Outgeneraled Reliance at Start But American Boat Soon Showed Her Heels To The Britisher

New York, Aug. 31.—Again today the beautiful cup defender Reliance failed to register her third victory over Lipton's challenger because the wind died to nothing and the time limit expired before she could reach the finish line.

Her margin was approximately the same as Thursday. She was less than half a mile from finish when the gun sounded. The Shamrock III was a faint blur on the horizon fully two and a half miles astern. Reliance's failure to score was more exasperating because her ultimate triumph is now conceded, even by Sir Thomas, himself, to be simply a formality. The superiority of the Herreshoff boat in any kind of weather is acknowledged by yachting critics of both sides of the Atlantic and today's fluke only prolongs the agony of the contest that has already been decided.

Waning interest in the cup races was strikingly illustrated by the size of the observation fleet. If the ships which went down to the ocean race course today could be dignified by such a title, outside of revenue cutters, which controlled the course, it consisted of half a dozen tugs and a score of steam yachts. The race was spiritless from the beginning. It was laid 15 miles to windward and return.

For the first time of the series Captain Wringe of Shamrock cleverly outgeneraled the redoubtable Captain Barr in the preliminary jockeying. Until five minutes before the start Captain Barr

held the windward berth. Then both ran away from the line, Shamrock leading. Two minutes before the starting gun Shamrock headed up into wind, luffed, forced Reliance to do the same, and both ran for the line, Reliance leading. They reached it before the starting gun and Reliance had to run along the lee side of it to await the gun. Shamrock reached the line as the gun sounded and not having to sheer off, secured the weather position. It was a trick which Captain Barr had worked often, but never with better finesse or more satisfactory results.

The yachts crossed the line abreast like a harnessed team of horses but within 15 minutes the Defender was showing her heels to the challenger and when the outer mark was reached she rounded it 20 minutes and 23 seconds ahead of her rival. On the run home Reliance made good time and drew away from the challenger until the wind softened, when the speed of both slackened. Shamrock caught freshening wind first and cut down Reliance's lead a half mile before the leader caught it. Then the Reliance steadily gained until she had made good her two miles lead and added another half mile to it. The only interest that remained after that was whether Reliance would be able to reach the finish line before the time limit. At 4:30 the wind had again died down with Reliance moving not more than four miles an hour, and the Shamrock two and a half miles astern, the committee boat signalled the race was off.

Orthodox church to the Anglicans at the conference of 1899, at Constantinople. This document will be of an official character. A translation of the Anglican prayer book is also being made into the Greek language.

"Dr. Dawling said that in 1893 a great number of Orthodox Greeks were in Melbourne Australia, without a priest and that Gherassil, Patriarch of Jerusalem, authorized an Anglican priest to perform sacraments for the Greeks, baptism, etc., but that when his became known to the other patriarchs of the east they blamed the authorization given by patriarch Gherassil and a Greek priest arriving later at Melbourne, rebaptized anew those who already had been baptized by Anglican priests.

"It would be extremely disastrous to us," concluded Dr. Dawling, "if rebaptism should be considered a condition *Sine Qua Non* of union."

The Exarch reassured Mr. Dawling, telling him that such a practice was strange to the Russian church and that it would not be difficult to agree about it with the Greeks and win them over.

The Right Rev. Tikhon, Russian Orthodox Bishop of North America and the Aleutian Islands, who was called to St. Petersburg to attend the Holy Synod, was present at this conversation and said that on the return of the president of the Holy Synod the Most Rev. Metropolitan Anthony to St. Petersburg, a special committee would be appointed by the Holy Synod for the study of the question of the union of the Orthodox and Anglican churches.

The Exarch Alexy displayed the greatest interest in Dr. Dawling and his work and expressed the conviction, that with the aid of the Most Rev. Metropolitan Anthony, the question could be brought to a successful issue. But among the obstacles the Exarch pointed out the suspiciousness of the lower classes towards heterodox confessions.

"Between us," said the Exarch, "we can easily arrive at an understanding. That is the problem with which we must deal in order that union may not be followed by a new disunion."

Dr. Dawling was evidently satisfied with his conference with Exarch Alexy and Bishop Tikhon.

SMART SET IS ROASTED

New York Preacher Rather Severe on Follies of the Idle Rich

CLASSES THEM WITH IDIOTS

Actions Are Pestilent to Democratic America and Must Be Eradicated

New York, August 31.—In a sermon at the church of the Epiphany on "The Sins and Follies of Fashion," the Rev. Dean Richmond has made an appeal for Christian earnestness and dignity as a corrective to the abuses of fashion in various circles of society, and criticized severely many of the reported doings of the so-called "smart set in America."

"I am more and more convinced," he said, "that we of the clergy must preach clearly, pointedly, as forcefully as possible, to the sins and follies of the times, dwell less on the exodus of the Israelites from Egypt and more on the exodus of Christian virtues from American life."

"Each one of us is the keeper of Christian morals and public opinion to the extent of our social abilities and influence in it is just as necessary for each of us to carry out reforms in ourselves and neighbors, if possible as it would be to reform the entire nation, which is impossible."

"There are many ways to look at the selfish, wasteful, indecorous, baleful and often insane class of the so-called 'smart set,' who seem to make a crusade to get their peculiar social antics in the newspapers as enthusiasts impute butterflies for exhibition in a museum. The senseless class in the public imitate them, the sober thinking class have a pitying contempt for them, the patriotic American abhors them and the genuine aristocracy of America and Europe laugh at them. Their example is pestilent to democratic America, their antics a violation of all normal sanity, their moral standard reprehensible, at the bar of Christian morals, their lives with all their false glitter and brilliant frippery, are a personal degradation to themselves and make a rapid descent into that avenue of the senses where he buried all the best and choicest of human aspirations."

SEATTLE MAN SEEKS DEATH

Seattle, August 31.—Late last night L. Tyron, a race horse man supposed to be a resident of Sacramento, threw himself in front of a suburban train with suicidal intent and was killed. Despondency probably due to losses and intemperance is said to have driven him to self destruction. Tyron was lately employed at The Meadows.

THEY ARE HELD FOR MURDER

Big Reward Incites Chicago Police to Capture Criminals

Chicago August 31.—With the incentive of \$1,000 reward and urged on by Chief of Police O'Neil, who has taken personal charge of the case, every member of the police department is on the alert to capture three men who committed the double murder in the barns of the Chicago City Railway Company early yesterday morning and then escaped with approximately \$300 in cash.

The police have reason to believe that the slayers are same men who on the night of August 1 shot and killed R. C. Lagross while in his saloon at 2125 North avenue. These robbers also shot Adolph Johnson, a customer in Lagross's place and he died from his wound next day.

The bullets fired at Lagross and Johnson were of a peculiar pattern and are discharged from a particularly destructive revolver which was put on the market recently. From the walls of the City Railway office a number of bullets have been dug and they are identical with those fired during the North Avenue hold-up. The police have made a score of arrests but they are not satisfied with the guilt of any of the prisoners.

The men held by the Englewood police are John Steuder, George McElroy, John Blake, Daniel Lynch, James Doyle, Lawrence Doyle and Tony Scarpardino. Three men have been detained by the Woodlawn police, but their names are being withheld.

Steuder, one of the suspects is said to have contradicted himself several times. He is a former employe of the City Railway company.

SISTER ELIZA NOT DEAD

Woman Tries to Beat Insurance Companies and Fails

New York, August 31.—A profound sensation has been caused says a Rome dispatch to the World by the arrest of Countess Ubal dini, a well known member of the Roman aristocracy.

The countess is said to have insured the life of her sister Eliza three years ago for \$15,000. A year later, she reported death of this sister, she received payment on the policy issued by one New York company, but another refused to pay, and now, as the result of police investigation, it is alleged Eliza has been found confined in a villa. It is alleged her death had been simulated by a patient from a hospital. It is further stated that the supposedly dead woman's husband had remarried.

ADMITS, THAT HE DID WRONG

Police Find Possible Motive For Bowers Murder

San Francisco, August 31.—Patrick Leary has confessed to relations of intimacy with Mrs. Martha Bowers and the police are certain they have at last discovered a motive for the death of Martin Bowers. In obtaining a statement from Mrs. Sutton, her sister, the detectives caught her in a misstatement and all in all very important steps have been taken in unearthing the crime. Whether the man in the case was involved did not develop as no direct incriminating evidence against him was obtained. It is believed however that he has by no means disclosed all he knows.

The detectives were pressed for a fresh clue when they decided to take Leary out of the place where he lived. He steadfastly maintained that he could neither read nor write and was therefore unable to tell the street number of his abode. But he piloted the officers to the lodging house. The landlady, was questioned as to Leary's movements during the early part of last week and said that he had not been home since Tuesday.

When the prisoner was confronted with this statement and requested to explain where he had been he admitted after some reluctance that he was at Mrs. Bowers' and subsequently went into full details. The confession came somewhat as a surprise to the police who were inclined to the belief that he was not the sort of man to be mixed up in an affair of the kind. Mrs. Bowers when confronted with the statement of Leary was taken completely aback for the moment but finally admitted it was true.

GREEK, ANGLICAN CHURCHES

Question of Their Unioning Discussed by Press

St. Petersburg, August 31.—(Correspondence of The Associated Press.)—The Novoe Vremya in its issue today contains the following statement, regarding the question of the union of the Orthodox and Anglican churches: "On the 5th day of August the Rev. Dr. Dawling, canon of the Anglican churches at Jerusalem, paid a visit to the Rev. Alex. Exarch of Georgia, Caucasus, and stated to him that he had been working for 12 years to secure a favorable solution of the question of the union of the two churches. He said that a translation was now being made into Russian of the answers of the Anglican church to the seven confessional questions proposed by the Greek

BULGARIA, TURKEY WAR THOUGHT TO BE IMMINENT

Formal Declaration May Not Be Made But Present Conditions It Is Possible Will Force Two Countries to Engage

SULTAN IS IN FAVOR OF HOSTILITIES

Detachment of Turkish Troops Spreads Terror in District—Sent to Garrison Small Towns and Commit Usual Outrages

Sofia, Aug. 31.—In both official and revolutionary circles the opinion is freely held that war between Bulgaria and Turkey is imminent. It is not expected either government will formally declare hostilities, but prevailing conditions will force on war.

An extensive outbreak in northern Macedonia is possible at any time. A telegram from Constantinople is printed declaring that the sultan, influenced by consuls of Germany, now favors war with Bulgaria. Turks here, however, take an optimistic view, asserting there is no danger of war as Turkey does not

desire and Bulgaria is not in a position to force hostilities.

A Bulgarian agent at Uskub reports that detachments of Turkish troops sent to garrison small towns in that vilayet have spread destruction along their route. Villagers have been robbed and beaten, women violated and the Christian population is subjected to every conceivable outrage.

In many villages the position of the Bulgarian residents is reported to be terrible, as cruelties committed by Turkish authorities exceeded all limits.

MARINES, CITIZENS RIOT

Annapolis, Md., August 31.—There has been an outbreak here of trouble which has been brewing for some time between a number of United States Marines and citizens. About 40 marines armed with pieces of pipe and metal rods assembled on King George street, and declared their intention of evening injuries sustained Saturday evening by several comrades at the hands of citizens. Frank Denver, a youth, was attacked and severely beaten and the disturbance was growing when the police and several marine officers arrived and marched the men back to their barracks.

WILL DEVOTE FORTUNE

Chicago, August 31.—A dispatch to the Tribune from Atlanta, Ga., says: At the session of the Christian and Missionary Alliance it has been announced that a wealthy Florida woman has notified the Alliance that she will sell all her property and devote the proceeds to erecting a home for the Alliance in Atlanta. The officials refused to give her name, as they say her relatives would get an injunction to prevent her using her fortune for the purpose indicated. She is supposed to be Mrs. Finney of Gainesville, Fla.
